

PRODUCT CHANGES

www.baslerweb.com

From: Basler Product Management
Date: 03rd March 2015
Subject: Discontinuation of product line A102fm/fc, scA1400-17fm/fc and scA1000-30gm/gc

Reasons for discontinuation:

Basler A102fm/fc has been in the market for more than 10 years.

For this reasons, the end of its life cycle for Basler A102fm/fc has now been reached. Due to the fact that some parts of these products are no longer available we would like to inform you about the opportunity for a last time buy.

We would like to inform you about the opportunity for scA1400-17fm/fc and scA1000-30gm/gc for a last time buy as well. All other scout models can still be ordered as usual.

In the meantime new product generations have been developed with even more features, functionality and enhanced image acquisition.

The availability of these camera models and spare parts will be time limited as shown below.

We would like to discuss the alternatives for your requirement with you personally in a close cooperation. Please contact your local sales representative for assistance. To ensure that we can fulfill your demand for these products we really appreciate if you can provide us with a rough forecast identifying your demand for the time until the production stop.

Thank you for being a valued Basler customer, we appreciate your support and we will continue to bring you the absolute best in imaging processing products and services.
