From: Basler Product Management

Date: 20th February, 2026

Subject: End-Of-Life for Basler 5GigE cards w AQC111C Chipset

Reasons for discontinuation:

This notice is to inform about the discontinuation of the Basler 5GigE cards, as the AQC111C chipset has been discontinued.

A suitable successor is currently under development. As soon as it has been qualified, the information related to this discontinuation will be updated.

Please rest assured that our commitment to providing the highest level of service and support for all other products in our portfolio remains unchanged.

If you have any questions or concerns regarding this discontinuation, the Basler Sales Managers and Support Team will be happy to assist you.

Due to unexpected high demand the Last Time Buy period might end earlier at short notice and no more orders can be placed. Therefore, we kindly ask you to order your Last Time Buy amount in time.

We reserve the right to review and, if necessary, reduce orders with high volumes during the Last Time Buy phase to ensure fair allocation and supply continuity.

Obligations beyond the final ship date will be limited to warranty support only. Any supply will be subject to Basler AG's capacity and resource constraints as well as to timely and contractual supply by pre-suppliers.

The supply of products will be subject to Basler's general terms and conditions of sale or any specific contractual terms agreed between the parties.
